

POP ON THE AUTO BRAKE KIT

and pop up more efficiently

NEW

- ↑ Easy to fit auto brake kit
- ↑ Allows removal of stabilisers
- ↑ Prevents movement of the machine whilst elevated
- ↑ Acts as a failsafe to the manual brakes
- ↑ Comes with improved heavy duty castors
- ↑ Remember Pop-Up+ remains an indoor use machine*

* For use in indoor exposed areas up to 12.5m/sec wind speed – pack available on request
