

PUSH Pro

Push-Around Scissor Lifts

Innovative solutions to low-level working at height

Pop-Up is the world leader in the development of push-around scissor lifts, which provide a cost-effective new way to safely work at height indoors.

Designed to withstand the demands of construction sites, the **Pop-Up PUSH Pro** series is robust, easy to use and simple to maintain.

- ◆ Lightweight and compact
- ◆ Easily passes through a standard doorway
- ◆ No outriggers or stabilisers required
- ◆ Durable design for tough site conditions
- ◆ Working heights of 4m, 4.5m and 5m
- ◆ Proven benefits over other access products:
 - better job site productivity
 - safer and more convenient working conditions
 - better return on investment (ROI) for rental/hire companies
