

DOUBLE DECKER

Meet the Double Decker — your go-to solution for safe, sturdy, and smart household tasks. Whether you're working at a low level or reaching higher spots around the home, this lightweight yet robust aluminium stepladder makes every job easier.

With a wide platform and double steps, the Double Decker offers maximum comfort, balance, and space to move, ideal for longer or more awkward tasks.

Its integrated storage tray and built-in bucket hook keep tools and essentials close at hand, so you can work efficiently and keep both hands free.

From changing lightbulbs to tackling DIY projects, the Double Decker is packed with thoughtful features designed for real-life use.

It's more than just a stepladder — it's your everyday household helper, built with practicality, safety, and you in mind.
