

# VARITREX RANGE

The Varitrex PRO+ is the ultimate multifunctional folding ladder designed for intensive, heavy-duty professional use. Built with strength, safety, and smart versatility in mind, it instantly adapts to your working needs — whether as a free-standing A-frame, straight ladder, platform, or wall-supported ladder.

From low-level tasks to demanding work at height, the PRO+ delivers confident performance every time.

#### Engineered for Performance

- Bended beams and anti-slip feet provide superior stability on all surfaces.
- Ergonomic locking buttons allow for fast and easy repositioning.
- The exclusive 3-PIN autolocking® hinge system keeps the ladder securely locked in any configuration, so you can focus on the job, not your footing.

#### Designed to Withstand the Toughest Conditions

Finished with a durable, dirt-repellent black coating, the Varitrex PRO+ combines rugged performance with a professional look, making it ideal for the most demanding environments.
